We shared a draft earlier this week for Mary Jo's input and will make sure they're ready to send by tomorrow. I know they wanted our questions in advance, but are they also expecting us to share our talking point?

Do we have the talking points and questions for next week done? I need to send them to Herschel by tomorrow.

Thanks

Simma - Jeaneanne Gettle, the R4 WPD Director is also speaking at the same event. I'm copying Mary Jo Bragan, as she is taking point on Jeaneanne's talking points, and Rosemary provided a draft to her earlier this week. Tom

Subject: Talking points?

Hi all,

Matt Leopold, the General Counsel, will be speaking to a "Permitting Summer School" in Florida soon, and was asked to speak to the state's assumption effort. Does anyone have any talking points or desk statements or press releases that R4 may have used with respect to Florida's assumption? RA speeches? We'd really appreciate any assistance.

Thanks!

Hi, folks - I've copied the draft implementation strategy that FDEP just shared over to our internal OneDrive folder:
